
DAISY PROGRAMMING AND JOSEPH MENGELE - WWII NAZI CONCENTRATION CAMPS

PROGRAMMING

DAISY PROGRAMMING - HITLER

“Daisy” - do you know where this fits in the Mengele programming??

He would take a daisy and then start pulling off the petals saying: “I love you, I love you not!”

Mengele was actually obsessed with identical twins and there are colonies today in **Brazil, Paraguay and Argentina** of identical blonde blue eyed twins -- a legacy to his experiments. Mengele was given help to get to South America through ODESSA, (the catholic church "Jesuit Network" and the Red Cross were also aiding ODESSA (with facilitating false travel documents), first he stopped in Brazil. Mengele was there certainly during 1951/52 and was conducting genetic experiments (denied by the Brazilian government, which is not surprising as the Germans were producing arms in Brazil at the time and trading with other South American nations). Later he moved to the Nazi community in Buenos Aires and joined many of his Nazi pals.

While in Buenos Aires, Mengele practiced medicine, he was given a medical license from the Argentine ministry of health (they knew who he was). Specializing in illegal abortions, he was at one point briefly detained by police after the death of a patient during an abortion (abortion is still illegal in Argentina today, yet Mengele was given permission to practice in his own private clinic and would attend the daughters of wealthy Argentines). After the death of the girl he was arrested by local police, but within hours a local Judge made a call and he was released to go back to his clinic.

While in Argentina Mengele acquired 50% shares of the Argentine pharmaceutical Company Fadro Farm. Mengele left Argentina for Paraguay around the time of the Adolf Eichmann kidnapping by MOSSAD in 1960.-- [Laurence De Mello](#)

Mengele was in Dallas during the killing of JFK, which was achieved by trained Monarch slaves.

(In fact, the Beaumont, TX Enterprise on Monday April 10, '94 in the Metro Sect. B, on page B cont. to 4b reports that a sworn affidavit exists where a man connects Joseph Mengele with Kennedy's death and to have seen Mengele at the Texas Book Depository.)

Luis Angel Castillo was just one of the Monarch mind-controlled slaves sent to kill JFK on Nov. 22, '63. A woman from Germany named Mrs. Krebs, along with a host of other programmers, worked with Mengele on the Kennedy assassination. [The Illuminati Formula Appendix I: The Programmers](#)

Mengele continued to love music and dancing throughout his life. He became a human puppet master who used music to program with. **He liked both the violin and the piano. He did lots of musical key-tones programming.**

Some of his protégés also used music to program with. This bent toward using music then contributed to the fact that the **American country western industry** is an outgrowth of the Monarch program. The country western industry is a cover for the drug running done via Monarch slaves. [The Illuminati Formula Appendix I: The Programmers](#)

A special recipient of Rockefeller funding was the **Kaiser Wilhelm Institute for Anthropology, Human Heredity and Eugenics in Berlin**. For decades, American eugenicists had craved twins to advance their research into heredity.

At the time of Rockefeller's endowment, Otmar Freiherr von Verschuer, a hero in American eugenics circles, functioned as a head of the Institute for Anthropology, Human Heredity and Eugenics. Rockefeller funding of that institute continued both directly and through other research conduits during Verschuer's early tenure. In 1935, Verschuer left the institute to form a rival eugenics facility in Frankfurt that was much heralded in the American eugenics press. Research on twins in the Third Reich exploded, backed by government decrees. Verschuer wrote in *Der Erbarzt*, a eugenics doctor's journal he edited, that Germany's war would yield a "total solution to the Jewish problem."

Verschuer had a longtime assistant. His name was Josef Mengele.

On May 30, 1943, Mengele arrived at Auschwitz. Verschuer notified the German Research Society, "My assistant, Dr. Josef Mengele (M.D., Ph.D.) joined me in this branch of research. He is presently employed as Hauptsturmführer (captain) and camp physician in the Auschwitz concentration camp. Anthropological testing of the most diverse racial groups in this concentration camp is being carried out with permission of the SS Reichsführer (Himmler)."

Mengele began searching the boxcar arrivals for twins. When he found them, he performed beastly experiments, scrupulously wrote up the reports and sent the paperwork back to Verschuer's institute for evaluation. Often, cadavers, eyes and other body parts were also dispatched to Berlin's eugenic institutes.

Rockefeller executives never knew of Mengele. With few exceptions, the foundation had ceased all eugenics studies in Nazi-occupied Europe before the war erupted in 1939. But by that time the die had been cast. The talented men Rockefeller and Carnegie financed, the great institutions they helped found, and the science they helped create took on a scientific momentum of their own.

Mengele's boss Verschuer escaped prosecution. Verschuer re-established his connections with California eugenicists who had gone underground and renamed their crusade "human genetics."

Soon, Verschuer again became a respected scientist in Germany and around the world. In 1949, he became a corresponding member of the newly formed American Society of Human Genetics, organized by American eugenicists and geneticists.

In the fall of 1950, the University of Münster offered Verschuer a position at its new Institute of Human Genetics, where he later became a dean. In the early and mid-1950s, Verschuer became an honorary member of numerous prestigious societies, including the Italian Society of Genetics, the Anthropological Society of Vienna, and the Japanese Society for Human Genetics. Rockefeller spent a great deal of money financing Nazi scientists and eugenic institutions in Germany, among them Otmar Freiherr von Verschuer. Verschuer was particularly interested in twins. With twins you could unlock the mysteries of defective reproduction, they thought, and also with twins you could discover the secret to multiplication of the master race. Verschuer sent his assistant, whose name was Joseph Mengele, into Auschwitz to finish the program originally financed by Rockefeller. But of course, Mengele went there after the war began... Rockefeller was funding the Nazi eugenicists throughout the entire pre-war period. Rockefeller was receiving constant letters of protest because of its open involvement with Nazi medicine... When lawyers and other entities tried to stop me from seeing the records, they even claimed doctor-patient confidentiality for Joseph Mengele! [The haunted house of eugenics](#)

THE DAISY GAME

The daisy game, which was scary for a child, heightened the victim's attention. Matrixes were built upon this deadly game. How did it feel to be programmed with Mengele's "I love you, I love you not" programming?

A victim recalls, "The child was placed in a cage exposed and naked. The low voltage wires were rigged to the metal of the cage. The child experienced a continual erratic or sporadic prolonged voltage of shock until the heart would pulsate and the anxiety level of the child became out of control. "Then the Dr. would enter the scene with his sneering taunting smile while holding a daisy in his hands. The sporadic voltage would continue to flow through the child's body.

As the shock continued, the Dr. stood before the child pulling petals off the daisy. His only communication was voiced in these words, "LOVE YOU, LOVE YOU NOT, LOVE YOU, LOVE YOU NOT," while pulling off the daisy petals.

This action would drive the child crazy because the child knows full well if that last petal is pulled off it meant death. The child that is not loved is skinned alive before the other children.

"...We can now begin to understand that the expendable children were in other cages placed all around us for the eye to see. They went through the same process as we watched. When the last petal of the daisy was pulled from the flower they were killed. [The Illuminati Formula 11. Internal Controls](#)

Master Programmer Dr. Joseph Mengele liked **Fantasia** because he was a **musician and a violinist**. Mengele (Dr. Green) liked **Bach, Beethoven, and Schubert and orchestra music**.

He enjoyed taking what he liked & using this music to make slaves. He would portray himself during programming as being the conductor, & all the orchestra were his children.

The film will allow for a repetition of this theme. [Chapter 5. Deeper Insights into the Illuminati Formula by Fritz Springmeier & Cisco Wheeler](#)

Dr. Mengele, the Nazi Angel of Death who carried out mind-control experiments for the Nazi's (& the Illuminati) during W.W. Dr Josef Mengele is reputed by survivors of his experiments to have worked out of Cornell University in New York, Bristol Labs in Syracuse, New York, and Upjohn Corporation and Bayer laboratories in Ontario.

Mengele and his Canadian researchers, like the notorious Montreal psychiatrist **Ewen Cameron**, used prisoners, mental patients and native children from reserves and residential schools in their efforts to erase and reshape human memory and personality, using drugs, electric shocks and trauma-inducing methods identical to those employed for years in the residential schools. Let me give you an example of what occurred with one of the first survivors I was able to help. It seems identical to what the Nazis were doing in an attempt to create the Aryan race.

MK: Yes, but that was a smokescreen because you had Nazis like Hitler and Mengele who did not have Aryan features. The way I see it is that the Nazi's master race concept was a controlled experiment and the knowledge was used for the real master race, which is alive and well today... Adolph Hitler was more of a puppet for propaganda purposes, whereas , I believe Josef Mengele was one of the "chosen ones" [a Rothschild] to bring forth the Anti-Christ.

RP: What makes you think Josef Mengele was a Rothschild?

MK: To me, it's the only thing that makes sense.
First of all, let's go back to the start of the Illuminati.

The three men who collaborated and were able to put it together were **Jacob Frank, Mayer Amschel Rothschild and Josef Johan Adam Weishaupt** -- that is Weishaupt's complete name, which begins with Josef.

Now the Joseph in the Bible was the favorite son of Jacob and the savior of the 12 tribes while in Egypt. The survivors who were experimented on and programmed by Mengele, would refer to him by different names.

Two of those names were David and Alexander, which happen to be the first names of the last two generations of Rothschilds.

You have to remember that their genealogy and the names they choose for the "chosen ones" are very significant to them. Also, the name Joseph in the Illuminati is considered, "the name above all names".

When Rothschild survivors are being sodomized, the name Joseph is chanted and imbedded into their subconscious. They innately know that Josef Mengele is a Rothschild... Another point to consider is that within their belief system, the three men that are immortal; that never die are Cain, Nimrod, and Joseph.

What the Rothschilds have done is to place their seed into other important Illuminati families. In this way, they can hide the true identities of their offspring...

But getting back to Mengele -- He was a devout **Catholic** and was reported to have all the **Catholic spiritual gifts, including, stigmata.**

At the same time, he was heralded as the top-ranking person in the Illuminati. The Vatican never did ex-communicate him or any other of the top Nazi's because the Illuminati and the Catholic church are part of the same Babylonian religion.

His fascination with twins may not only have been for genetic experimentation, but to also play out the role of the twins, Jacob and Esau in the Bible, which states, "**Jacob have I loved, Esau have I hated**".

You see, Jacob got the birthright even though he was the second-born. **Survivors have told me Josef Mengele is a second-born twin and they sacrificed the first one in order for him [Josef] to gain more power.**

The name of the first twin may have been "Kore" which is a Hittite name.

You see, Esau's first wife was a Hittite and you can find that Abraham bought the burial place for Sarah from a Hittite whose father's name was Kore.

Well then, the interesting thing is that Esau's first born son had seven sons. Son number 5 was Kore. From Mayer Amschel down to 5 generations may have been Kore and Josef, besides Guy, who is probably a half-brother and more of a "front" man.

Another interesting thing is you'll find the name **James in many of the Rothschild names**, which is another translation for Jacob.

Remember, Joseph was the son of Jacob, so they have made it look like the whole line of men leading to the Anti-Christ is from the House of Jacob -- see how this fits together? [THE MASTER PLAN OF THE ILLUMINATED ROTHSCHILDS: Ron Patton interviews Marion Knox](#)

[Jonestown](#) was a CIA experiment to determine whether it was possible to establish a large mind-controlled slave labor force.

Jim Jones was a CIA operative and former Housing Commissioner for San Francisco. Ukiah District Attorney Tim Stone was assigned the task of procuring state mental patients and transferring their guardianship to the Peoples Temple. Assisting Jones was former police chief Dan Mitroni, a contract CIA operative, who previously had instructed Brazilian and Bolivian security personnel in advanced torture interrogation techniques. Prior to the purchase of the Guyana property, the entire staff of the Mendocino State Mental Hospital were dismissed and replaced by Jim Jones's personnel.

According to mind-control survivors, Josef Mengele programmed inmates there, at that time period. One member of Jones's staff at Mendocino was allegedly the mother of O.J. Simpson.

Perhaps this explains why one psychologist, very experienced in observing mind-control survivors, noted that during Simpson's trial, he displayed symptoms of alter-personality switching. [STOP MISLEADING the CHILDREN, MR. JENNINGS by Brian Desborough](#)

The name **DAISY** means:

The flower called “Day’s Eye” or “ Eye of the Day” from the OE. *daeges eage*, “the SUN” so called because it uncovers the yellow disc of it’s centre at dawn, the daisy heads track the sun’s progress across the sky and at dusk they slowly shut their eye by turning their white petals inwards to form a cup, like the human eye opening in the morning and closing at night! Both the sun and the human eye being associated with being a source of light, thus the daisy became a symbol of – **illumination!!**

In Latin it is the “**SOLIS OCULUS**” or “Sun’s Eye.”

The name *daisy* is a form of **Margaret or Margarita** meaning “**PEARL**”. The pearl was the symbol of **VENUS/Lucifer** rising out of the clam shell! So the daisy is a symbol of **Luciferic Illumination!**

The **DAISY CHAIN** is a garland or chain made especially by children, of linked daisies, made by *splitting the stem of one daisy and threading it through the next. It always forms a circle!*

A **Daisy Chain** is a “network”, an interconnection of computer devices usually up to seven in a chain. It is the computer equivalent of a series electrical circuit. It is also a series of connected events – a chain of command.

This ties in with **DAISY MIND CONTROL PROGRAMMING** Fritz Springmeier says:

“That the programmers chosen method of making a Monarch slave worthwhile was to build “computers” into the slave’s mind which would internally regulate everything. They do this by taking hundreds of alters and dehumanizing them and turning them into parts of a computer. For instance the shutter on the “All seeing Eye” of the computer which is seen in the mind like a camera shutter, it is the child alter whose job it is to open and shut (**like the Daisy**). Another primal part is inside the eye’s pupil. This shutter part knows what goes on in all the system subconsciously but if discovered by the therapist and pulled to the front of the mind, will not be able to vocalize about the system.

Mengele’s “I love you, I love you not” programming, was installed when he took the first petal and said “I love you” the second petal and said “Love you not.” If the last daisy petal was “I love you not” then the child was dramatically killed in front of the other children to be programmed. The Illuminati’s method of death was “**SKINNING ALIVE**”, which a survivor has reported had been done to her as an adult! She claims that her mother used to say to her if she was doing something wrong: “I could skin you alive”.

So it is bloodline programming too, for she was taught to say this by her mother when she made daisy chains when she was a little girl playing, to pull the petals off and say “I love you, I love you not.” Where did her mother learn this from?

A victim recalls how she was placed in a cage exposed and naked, low voltage wires were rigged to the metal of the cage and the child experienced erratic and sporadic prolonged voltage shocks until the heart would pulsate and the anxiety level of the child became out of control. As the shock continued, Mengele would stand before the child in the cage saying “I love you, I love you not”, while pulling off the petals, which would drive the child crazy for the last petals meant **death** by being skinned alive in front of the other children. This created such terror that when the last petal was pulled off, the child had dissociated so much they no longer knew fear. The other children in cages learned that they were expendable, after the death of the skinned child, their ashes were taken from the crematorium and scattered in the garden to be used as fertilizer, as a reminder to all what happens to little children when they are unloved!

Children were also programmed with flashing lights in Mengele’s room to programme the day’s events. When the bright light continually flashed they could hear the doctor’s voice saying over and over again “*love you, love you not.*” When the lights flashed seven dots, then six then five, four, three, two, one... By the time one flashed the level of terror in the child had risen and Mengele would tease them by walking away smiling saying “No, I love you.” A procedure which was constantly repeated. Fritz Springmeier said the sequence of I love you I love you not forms the matrix for the internal computer.

The atheist Richard Dawkins refers to genetics as the “daisy chain” of parents and children stretching back through time.

DAISY CHAINING is a wiring scheme in electrical and electronic engineering in which multiple devices are wired together in a sequence or in a ring. It is the same term used for any series of complicated relationships in which, over time, people have different partners who have themselves had other partners within the same group.

A **DAISY** is a slang term for weak, effeminate male homosexual – a “sissy” or “wimp”!

A **DAISY CHAIN** is a group performing oral sex on each other in a circle. Daisy is a slang term for the anus in sodomy!

DAISY CHAINING DNA is the process of when DNA undergoing PCR Amplification, becomes tangled and forms a “**daisy chain.**”
