Please note, the prayers included in this booklet are “a work in progress” – this is the first draft. Much research and prayer is going into this project, in order to cover as many of the renunciation/prayer points as possible, that these prayers may be the most effective.

Prayer of renunciation for the pagan roots and rituals of South Africa's Foundation Nation (First People) ...

Note, this is the first prayer of renunciation that targets a specific people-group. With this, we do not attempt to run down South Africa's Foundation Nation (First people) group in any way, but is aimed on praying for the forgiveness of the sinful/pagan practices within this culture-group, those customs/rituals which are in conflict with the Word of Yahweh [God]. This culture-group, like any other, is unique and created by Yahweh [God] to fulfill a specific role in South Africa! However all groups have occultic altars to deal with and it is on this basis that the following renunciations are made. Furthermore it is necessary that the Foundation Nation's original customs and beliefs be considered, for the purpose of redeeming the land. Our forefathers raised occultic altars on the land and in so doing curses were released on the land.

Isaiah 45:2-6 *"I will go before you and level the mountains to make the crooked places straight; I will break in pieces the doors of bronze and cut asunder the bars of iron. And I will give you the treasures of darkness and hidden riches of secret places, that you may know that it is I, the Lord, the God of Israel, Who calls you by your name. For the sake of Jacob My servant, and of Israel My chosen, I have called you by your name. **I have surnamed you**, though you have not known Me. I am the Lord, and there is no one else; there is no God besides Me. **I will gird and arm you**, though you have not known Me. That men may know from the east and the rising of the sun and from the west and the setting of the sun that there is no God besides Me. I am the Lord, and no one else is He."*

Isaiah 43:26 *"Put Me in remembrance – **remind Me of your merits** – let us plead and argue together. **Set forth your case**, that you may be justified (proved right)".*

Prayer for counselor:

It is recommended at this stage that you stand in the gap and ask Yahweh [God] and the counselee forgiveness on behalf of other people-groups like the Dutch, Afrikaners, English, Germans, Portuguese, Griqua's, Basutu's, Indonesians, and so forth, for the following sins:

- Depriving them of their land and possessions,
- Robbing them of their identity and inheritance,
- Identifying the Foundation Nation as savages, and categorising them as such
- For judging them on how they looked
- Depriving our forefathers of their will and subjecting them to manipulation and control
- Subjecting them to inferiority
- Persecutions,
- Mass-murders, and also the smallpox epidemic resulting in 90% of the Foundation Nation's death in southern cape
- Raping women and children and the acts of incest because of this gross violation.
- For bringing in slaves from other areas and causing feuds amongst these slaves and our forefathers
- False accusations,
- Taking their children as slaves,

Prayer for counselee:

FATHER, in the Name of Messiah Y'shua [Jesus Christ], Your Son, I stand before You this day. You know where I come from, and You know where I am going. You have known me long before the foundation of the earth and even before You made man in Your Own Image and likeness. Since the fall of man, we have gone astray and followed our own ways but Your calling and destiny on my life is still valid and is calling me back to Your original Plan.

Psalm 139:13 "For You did form my inward parts; **You did knit me together in my mother's womb**".

I also take this counsellor as my witness and declare that You have given me chance upon chance. You never became tired of me, and on this day I want to take hold of Your Garment, and ask that in Your great mercy, will incline Your ear to hear my plea as I come before You in repentance for my forefathers, myself and my descendants.

FATHER, Your grace and mercy have been extended to me on a daily basis, and I now come to ask that You forgive me. I thank You that I was planned and created by You, and there came a day and moment that You called me to life, that You filled my lungs with breath unto life on this earth. Thank You for the complete **package of potential** that You have invested in me, through my Foundation Nation ancestry.

FATHER forgive me for not wanting to accept my ancestry because of the wrong perceptions that have been passed down to me (by my forefathers and other race groups). I identify this as a root of rejection and ask that You deliver me and my descendants from this rejection and all its negative fruit in Y'shua's name.

Jeremiah 29:11 "For I know the thoughts and plans that I have for you, says the Lord, thoughts and **plans for welfare and peace** and not for evil, to give you hope in your final outcome".

Acts 10:34,35 "Most certainly and thoroughly I now perceive and understand that **God shows no partiality and is no respecter of Person**. But in every nation he who venerates and has a reverential fear for God, treating Him with worshipful obedience and living uprightly, **is acceptable to Him** and sure of being received and welcomed by Him."

Revelation 5:9 "And now they sing a new song, saying, You are worthy to take the scroll and to break the seals that are on it, for You were slain, and with Your blood **You purchased men unto God from every tribe and language and people and nation.**"

I repent and renounce the sins of my forefathers, as well as their beliefs and customs, my own and that of my descendants, that have kept us enslaved. I ask in Name of Y'shua (Jesus) that You will deliver, heal, and restore us spirit, soul and body, and heal us where we have been afflicted because of wrong choices that have hindered us from fulfilling our destiny in You.

Thank You that You raise us up as the descendants of the Foundation Nation into the positions that You have ordained for us. We ask that as we forgive those race groups who harmed our forefathers in any way, (physical, spiritual and emotional) that we will embrace their descendants and walk together with them in unity to see Your Kingdom come in Y'shua's (Jesus) name.

FATHER, I ask that You break every ancestral pagan, occultic root and bondage, that has kept us from Your perfect plan and purpose.

Sexual iniquities¹

I repent of all sexual sins, iniquities, and uncleanness (*refer also to Journey 2 Freedom*). I repent of the sin of homosexuality and lesbianism, sodomy, fornication and adultery, masturbation and every other sexual related sin that was passed down in the lineage. I renounce the national custom "Landessitte"² that is connected to masturbation.

I repent and renounce on behalf of my forefathers, myself and my descendants for accepting the practice of extracting four front teeth, that later became known as the "passion gap"³ for the practice of oral sex.

I renounce and rebuke special water-covenants ceremonies, such as: "Die Rooi Rivier Slang" marriage⁴, which took place in correlation with these relationships.

I repent and renounce all practicing of "love-witchery" (love magic). I renounce the faith in the potion "duba" mixed with tobacco, as well as the influence it had on my body and relationships.

I ask Your forgiveness for all these abominations in the Name of Y'shua (Jesus). I command all demons of lust and perversion that have attached itself to me and my descendants on every level to leave our spirit, soul and body now, in the Name of Messiah Y'shua [Jesus Christ].

Drugs and Potions

I repent and renounce the chewing of 'snuif'⁵ and the effects it had on the body and its connection to rituals, customs and beliefs of my forefathers.

I repent of all the beliefs and customs where potions were used by our forefathers, and carried on in our generations. Teach us that we have been bought with a price, the blood of Y'shua Messiah (Jesus Christ), and that we are accepted in the Beloved.

¹ See also our article "*Khoi – Womanhood And Sexuality*"

² Landsitte

³ In the Coloured townships and Cape Flats communities it is a practice of the Indonesian people where they introduced extracting the front four top teeth as a ritual for entering puberty and manhood. It is a fashion trend in our communities, that had its origin from a ritual and slavery.

⁴ Rooi Rivier slang -

⁵ The chewing of snuif -(it looked like wet tobacco, that our forefathers chewed. This could be likened to the buchu leaves that were used in rituals by our forefathers.

I renounce all **witching customs** and repent from this sin, including the smoking of mixtures of *buchu* and the legs of grasshoppers.

Power and position

I renounce the belief that the mantis⁶ was a good omen. I repent of the recognition and power my forefathers received from this omen as 'holy men'. I repent and renounce the honour they received from men by receiving the entrails and fat of the ox, that would give them power, and that reside in my descendants and me.

I repent and renounce for having a notion of power and expecting others to honour me. Forgive me for having a spirit of pride, due to these rituals that were passed onto me and my descendants in Y'shua's (Jesus) Name. Teach me to understand that in Your Kingdom we are servants who serve in humility and love.

If there were any powers given to my forefathers because of the Praying Mantis hovering over them, and they reveled in the attention and status they received, I now stand in repentance on behalf of them, my descendants, and myself and pray that we will be servants in Your Kingdom.

I repent and renounce the custom of eating of special meat slaughtered by the witchdoctor during marriage-ceremonies. As well as the demonic influence it had on my forefathers, myself and my descendants' spirit, soul and body.

I renounce every unclean spirit, which still clings to me due to these customs, and I command them to leave me immediately In the Name of Messiah Y'shua [Jesus Christ]!

FATHER, forgive my forefathers, myself, and my descendants for all these abominable occultic practices, and I ask that You will turn around each of these curses into blessings, as we stand in repentance, renounce and turn our backs on these occultic practices.

Medicine and Healing

I renounce and rebuke every form of "medicine" such as 'holy water' given by the witchdoctor, the 'slimman, the slimvrou, the doekoem to our forefathers, my family, myself and my descendants. I ask that You will remove all residue thereof from our systems. Wash us clean with the Blood of Yeshua [Jesus]. I ask that You will cancel the effects thereof over my fertility, my body, mind, will, and emotions, as well as that of my descendants.

Thank You FATHER that only You can nullify the works of darkness and the dark kingdom, and that Your plans and purposes come in our lives. Every demon on every level that is connected to this "medicine" and have entered my body, I now command to leave in Y'shua [Jesus] Name. I ask that You will silence each and every one of these charms which still speak against me in the spiritual realm. Father, I ask that only Your Voice will thunder over me and my descendants in the heavens.

⁶ Mantis -Southern African indigenous mythology refers to the praying mantis as a god in [Khoi](#) and Bushmen traditional myths and practices, and the word for the mantis in [Afrikaans](#) is *hottentotsgot* (literally, the god of the Khoi.)

FATHER, I ask that You will heal all ailments and sicknesses which I could have contracted from these “muti medicine”, in Name of Messiah Y’shua [Jesus Christ].

FATHER, I repent and renounce our ‘willingness’ to accept any illness or sickness upon us, because it gives us some sort of identity, and gives us attention and acceptance that we lacked in many areas of our lives.

FATHER, thank You that You have a plan and a purpose for us to prosper, to give us a hope and a future. Teach us to understand that we are accepted in the Beloved, and do not need to accept all the negativity of news of illness and sicknesses. We repent of this belief, and ask that You forgive us for not believing and trusting You in Y’shua’s [Jesus] Name.

Fertility

Worshipping fertility gods and goddesses, partaking in fertility rituals

FATHER I stand in repentance and renounce every ritual commissioned by my forefathers and myself to ensure fertility. We renounce every ritual belief and practice that they were involved in and handed down to us. Forgive us of our ignorance and naivety as we continued to do these abominable things in Your sight.

I renounce the custom of sacrificing an animal for this purpose and invoking animal spirits. I ask that You will forgive our forefathers and us, and that You will break every demonic seal on our lives and that Your Kadosh [Holy] Fire will destroy all of these false sacrificial altars in the physical, as well as in the spiritual realm.

I ask that the Blood of Messiah Y’shua [Jesus Christ] will silence this false sacrificial blood of animals, menstrual blood and aborted babies. FATHER thank You that these curses are now cancelled and its effect will no longer affect my descendants and me.

Forgive our forefathers for playing in the camp of the enemy every time they engaged in demonic sacrifices. We declare that only the Blood of Y’shua [Jesus] has power to forgive, to cleanse, to protect, and give victory and breakthrough in every area of our lives and that of our descendants.

I ask You to remove our names from every demonic altar raised by our forefathers that is still receiving worship, as well as from the enemy’s archives and affecting us because of the bloodline curses. Thank You that those altars are destroyed with Your consuming Fire, and that there will not be a trace left of it. Thank You FATHER, we (myself and my descendants) can walk into freedom in Y’shua’s [Jesus] Name.

I renounce the custom of our forefathers wearing the sack of amniotic fluid of an unborn lamb upon their back to ensure fertility. FATHER, we acknowledge that our forefathers have sinned against You because of ignorance and superstitious beliefs. I repent of this sin. I thank You that we are no longer ignorant of Your Word and know that You are redeeming us back to You and back to Your Ways of righteousness.

I repent of this ritual and renounce all occultic pagan practices connected to this. I renounce and repent of the belief that fertility will be stimulated through the eating of goat’s meat.

FATHER, thank You when You made us and formed us in our mother's womb, we were intricately woven together, our inner most parts You did form, and what You make is wonderful and complete Psalm 139.

I rebuke and renounce the custom that the oldest man had to urinate on the boy to ensure his fertility. All false, un-Godly [unrighteous] affirmations and words accompanying it, I now silence in the Name of Messiah Y'shua [Jesus Christ]. Any effects it could have had on me and my family's lives, I render powerless, ineffective, and bring it to no effect. I declare that my ability to fertility is found in the Hand of the Almighty El [God], who created heaven and earth.

Abortion

FATHER in Name of Messiah Y'shua [Jesus Christ], I repent of and renounce every abortion practiced by my ancestors, myself and my descendants.

FATHER, most of us have so many mixed nationalities in our lineage, which have caused us to have many attachments downloaded on our DNA. These various nationalities have resulted in so many bloodline curses that have affected us for many generations.

I repent and renounce of our forefathers custom eating and drinking the urine and faeces of rock rabbits to stimulate abortion, as well as the binding of the stomach-area, until the fetus is rejected from the body. FATHER, forgive and deliver us from this abominable practice.

FATHER, I ask that You will forgive this sin, and that You will mercifully cover all of the blood-guilt of innocent babies with the precious Blood of our Messiah Y'shua [Jesus Christ]. Silence the voices of these babies crying against us in the spirit, Father!

I renounce the belief that the fetus is not recognized as living until seven months and I declare that You know each fetus even before it is formed in its mother's womb. **YOU ARE LIFE!** I choose LIFE, and declare to be fully pro-life in line with Your Word. I cancel every trace of this sin from our bloodline in the Name of Messiah Y'shua [Jesus Christ] of Nazareth.

Jeremiah 1:5 *"5 Before I formed you in the womb I knew [and] approved of you [as My chosen instrument], and before you were born I separated and set you apart, consecrating you ..."*

Rituals at births:

I renounce and rebuke the custom of introducing the baby shortly after birth, to rain as the source of water. I renounce any influence of water-spirits on myself and my descendants, in spirit, soul and body. I cut myself and my descendants free from any powers of water and rock, in the Name of Messiah Y'shua [Jesus Christ].

I renounce and repent for the belief and custom of using specific medicines that would ward off evil spirits over babies⁷ 'Thank You FATHER I stand in repentance for this practice in my lineage.

I renounce the un-Godly [unrighteous] fires and altars which were kept burning until the baby's umbilical cord had fallen off, in the Name of Messiah Y'shua [Jesus Christ]. This resulted in the baby being dedicated to the fire gods. With the Sword of the Spirit I cut myself and my descendants free from every fire god, every altar and every ungodly fire, in the Name of Y'shua!

I renounce any false "prophetic powers" in my bloodline due to births with a *caul*. I believe Your Word says that we are led by the Ru'ach Ha'Kodesh [Holy Spirit], and not by psychic powers and the false holy spirit (kundalini). Your Word is clear that those who consult mediums and diviners will not inherit the Kingdom of Yahweh(God).

The belief of twins

I renounce the evil practice of my forefathers where twins were born, in the practice of killing one of the two for survival reasons. Father we declare that You give life, and You take life. We are not to determine who will live and who will die.

Father forgive our forefathers for this abominable practice, because they believed that it was better for a strong one to survive than for two to be weak due to a lack of milk and food. Father our dependency is on You, forgive us even today, where we do not have faith in You, and turn to foreign witchcraft practices to meet our needs. Teach us how to believe in You and have faith in You and trust You, because You have promised never to leave us or forsake us.

I renounce and repent of our forefathers belief that where twins were born and it was a boy and a girl, that the girl was left behind to die. Father forgive us and our forefathers even in this day, where we determine who will live and die. Forgive us in undermining and underestimating the life that You give and short circuit the destiny of people made in Your Image. All the blood crying out in our land because of this gross abominable practice, we repent of and ask that You forgive our forefathers, ourselves and our descendants in the Name of Y'shua (Jesus).

I renounce and repent where my forefathers made unrighteous [unholy] covenants with the land, by taking innocent lives. I thank You FATHER that the cries of that innocent blood is now silenced, and our land is redeemed.

All twins in my ancestry or descendants, I now declare are blessed and not cursed, in Y'shua's [Jesus Christ] Name.

Puberty ceremonies, GIRLS:

I ask forgiveness for every ritual concerning or connected to entering puberty and womanhood, which was ever practiced by my ancestors, myself or my descendants.

⁷ *duiwel's drek en doepa*, that had to be warmed with '*rooi lavental*' and olive oil to massage the baby. Believing that the baby will be more restful and not to be tormented by evil spirits.. It was a belief and practice that was never questioned and accepted as correct.

Every false cleansing-ritual, I now bring before You and I ask that You will remove the effects thereof from me and my descendants.

Taking on the spirit of the eland at puberty and being painted as an eland

I ask that You will cancel every curse as a result of this, which could affect my own or my descendant's fertility in any way. Thank You that the Blood of Messiah Y'shua [Jesus Christ] alone will ensure mine and my descendant's cleansing.

I renounce every ritual commitment to water, for both myself and family, I renounce and rebuke the belief that water and rain will bring me fertility, and I choose now to trust You in this area of my life in Name of Messiah Y'shua [Jesus Christ].

I rebuke every demon / familiar spirit commissioned to watch over my descendants and me as a result of these rituals, and to leave us immediately.

Puberty ceremonies, BOYS:

I ask forgiveness for any and all rituals which took place concerning or connected to entering puberty and manhood, in my own and/or my family's lives.

Blood and Rituals

I rebuke and renounce the custom of eating the intestines of an animal or carrying it on my body. I ask that You will cleanse my body from all forms of uncleanness and expel every demon, from my spirit, soul and body, connected to these rituals.

I repent before You for the ritual of the drinking of blood. I ask forgiveness for myself and on behalf of our ancestors and descendants, for this un-Godly [unrighteous] deed. I repent of the sin of cannibalism, FATHER! I ask that You will cleanse our bodies as well as our souls from this, and that You will bring restoration in Y'shu'a [Jesus] Name.

I nullify any initiation and its superstitious belief, as well as all words spoken during these rituals, and I silence it in the Name of Messiah Y'shua [Jesus Christ]. FATHER, all these rituals were done to give power and empower the dark kingdom. These rituals have produced the un-Godly [unrighteous] fruits of sexual perversion in our communities today. We stand before You and repent and ask that You will wash us clean and deliver us and our descendants from this ancient stronghold that enslave our generations.

I ask that You will cancel the curse of eating or drinking blood that our forefathers partook of, over me and my descendants, in the Name of Messiah Y'shua [Jesus Christ]

Leviticus 17:10 "10 Any one of the house of Israel or of the strangers who dwell temporarily among them who eats any kind of blood, against that person I will set My face and I will cut him off from among his people [that he may not be included in the atonement made for them]."

Transition-rituals:

FATHER I repent of my ancestors and my own involvement in these rituals.

I renounce and rebuke the custom of injecting the initiate with a mixture of sweat and filth from the body of the witchdoctor, as well as all incisions made in my own and/or my ancestors' bodies. I ask that You will cleanse my body from all these substances, and that You will deliver me and my descendants from any and all demons associated with these activities in the Name of Y'shua [Jesus].

I also ask that You will deliver me and my descendants from any animal-spirits which were and are connected to us through these rituals. I ask that the Blood of Messiah Y'shua [Jesus Christ] will cover these blemishes, and that You will remove all poison from our systems.

FATHER, wherever my forefathers were injected with heroine needles and so forth, I stand in repentance and renounce this activity. Thank You FATHER! This need to feel high, because of rejection and a slavery-mentality, is broken over my descendants and me. We will seek only to be filled, led, and prompted by the Ru'ach Ha'Kodesh [Holy Spirit].

Isolation

FATHER, I ask that You will remove and heal all effects of isolation on me and my ancestors so that my descendants will not be kept bound by this. I ask that You will dislodge my so-called "security that is locked up in fire" – and that You will deliver me from any foreign fires and connect me to Your Protection and surround me with the Fire of the Rauch Hakodesh [Holy Spirit].

Any negative, destructive effects which rituals of isolation could have had, I pray that You will heal our family bloodline in Y'shua's Name [Jesus Christ].

In the Name of Messiah Y'shua [Jesus Christ], I repent of all efforts and rituals administered to gain the goodwill of spirits.

Occultic beliefs regarding hunting

I stand in repentance every time that my family and I identified ourselves with any territorial spirits to gain entrance to land, water, or hunting-regions. I ask forgiveness for every ritual performed to appease the territorial spirits of the area. Please wipe out all evidence speaking against me in the spirit and release my spiritual passport to accomplish ABBA Father's Will for my life and my descendants.

I repent of every water-ceremony in connection with this. I ask forgiveness for every ritual performed to cross rivers to appease the water spirits.

I repent of all superstitions and rituals concerning household-animals, in the Name of Messiah Y'shua [Jesus Christ].

I renounce all spiritual "powers" dedicated to water or fire, even smoke. I renounce the custom of smearing the body with the blood of animals and the wearing of the skin and intestines for successful hunting.

I renounce and repent the belief of my forefathers for wearing various kinds of amulets, (such as the pieces of wood the size of a finger around their necks), in believing that these claims would protect them in the night while they were out hunting or travelling.

In the spirit, I now erect an altar for You in the midst of my family-line and those of my descendants. I declare that I honor my father and mother and my forefathers, but I turn my back upon all of their sinful practices and their superstitious beliefs that have enslaved our generations.

Death:

In Name of Messiah Y'shua [Jesus Christ], I repent, renounce and rebuke every false belief and myth concerning death.

I renounce the myth that the moon sends a message to the hare. I rebuke and renounce the influence of *Gaunab*, the malicious god of darkness, upon me and family, in the Name of Messiah Y'shua [Jesus Christ].

I rebuke and renounce the spirits Hei and Nun⁸ and declare that they will have no more power whatsoever over me and my family, to drag us away unto death. I ask that You will cover me and my family with the Blood of Messiah Y'shua [Jesus Christ], so that none of these spirits of death may any longer have effect upon us – spirit, soul, or body!

I break the influence of the spirit of death over me and my family in the Name of Messiah Y'shua [Jesus Christ]. I break the curse of death over us, in Messiah's (Jesus) Name!

I break any and all charms, witch-powers, and *muti* that have been used against me and my family, or are still in effect. I ask that Your Mighty Hand will shield and protect us against any crossfire between witchdoctors who attempt to follow us. I ask You to remove all tracking and tracing demons from our bloodline, in the Name of Y'shua (Jesus). I ask You to remove all scent and smell from our bloodline that the hounds of hell have been using to track us down all these years!

I ask that You will send Your Ru'ach Hakodesh [Holy Spirit] fire against these powers and that You will destroy them in the spirit, as well as all un-Godly [unrighteous] altars where this took place or are still taking place, in Name of Messiah Y'shua [Jesus Christ].

I rebuke and render powerless any and all rituals practiced during burials, and declare it has no effect any longer upon me and my descendants. I repent of all worship given to the spirits of death by me and my family. In Y'shua's [Jesus Name] I renounce all worship given to Heitsi Ebib, the first ancestor of the Foundation Nation. To the God of Israel, to You ALONE belongs all Glory [esteem] and worship, and I ask that You will forgive us - that You will destroy all these false altars of worship in the spirit that testify against us.

I repent and renounce on behalf of our forefathers for the practice of visiting the graves of deceased loved ones; please forgive the family feuds this caused with long term negative effects up to this day because not everyone in the family believed this was important, and were accused of disrespect. I cut myself and my descendants loose with the Sword of the Spirit from the dead⁹, the graves, the realms of the dead and dead human spirits in Y'shua's Name.

⁸ Spirits of Hei and Nun

⁹ See Prayer of Death, Hell and the Grave available from Kanaan Ministries.

I repent and renounce on behalf of our forefathers who believed in the practice of sending male relatives naked to a deceased family member's grave at sunrise to pray. I renounce and repent of the belief that the ghost could not catch or harm them. I renounce the belief that our forefathers engaged in by talking to the dead at gravesites and sprinkled buchu leaves on the area.

I repent and renounce the beliefs and customs of my forefathers where they positioned stones in circles similar to that of Stonehenge¹⁰ in line with the rays of the sun and the moon and the shadows that were formed in straight lines at solstice and equinoxes. Even though they thought it appropriate at the time, it was idolatry and idol worship. I repent and renounce the impacts that these beliefs have up to this day, where the new agers built on these altars and follow the paths of the sun at set times.

Moon:

I repent and renounce of every ritual in which the moon (Gounja) was called upon by means of song, dance, and rainmaking rituals. I ask that You will forgive us for using our bodies to give honor and service to other gods.

FATHER, I repent on behalf of my forefathers when they engaged in dancing, singing and rejoicing through nights at the new moon and the full moon. Your Word says that we should praise Your Name at the New Moon and the Full Moon according to Psalm 104 v 10.

I renounce these beliefs and repent for what our forefathers did - this dancing allowed them to go into a trance, and go onto spiritual levels and plains that You did not intend for them to go. FATHER, as we stand in repentance we also close the doors that they opened when they went into these trance states, and the impact that it had on the generations and the bloodline.

I renounce the belief that the moon is connected with un-Godly [unrighteous] and pagan fertility cycles, or that the lunar eclipse is a bad omen. I declare that You are reigning over all things and I choose to call upon You for all the needs or joys in my life. I divorce myself from all and any pagan and occultic time-fertility cycles.

¹⁰ Stonehenge -modern Druids still celebrates their ritual at the Stonehenge. Theory - the horseshoe arrangement of the inner-sanctum stones represented the womb of the Mother Goddess. In order to reach it, the rays of the sun at midsummer solstice had to pass the Heel Stone. Immediately after an unobstructed sunrise, the Heel Stone eclipsed the sun, forming a shadow representing the phallus of the Sky god. The long shadow entered the central archway of the main sarsen ring and eventually reached the Altar Stone. The retreat of the shadow represents the withdrawal. During the ancient days, Midwinter was an important day to celebrate in respect to the Sun, giver of life. In December, the length of a day would get shorter, and the shortest would be a few days before the Winter Solstice (around 21st December) before the day starts to lengthen again. The sun has been 'weakening' every day before the Winter Solstice and it is sometime near the Winter Solstice when the sun "grows stronger". This was celebrated at the Stonehenge in the olden days.

I renounce and repent on behalf of my forefathers, where worship was given to the moon; I repent where I spoke death over others, who I thought was affected by the full moon in Y'shua's Name. In the Name of Y'shua (Jesus) I now break the curse of lunatic and insanity over our family bloodline! We declare that we have a sound mind, in Y'shua's (Jesus) Name!

Worshipping of heroes and false gods:

I repent on behalf of my forefathers who gave praise to a god at day break by facing to the east. I repent on behalf of the praise song my forefathers sang to this god and not worshipping You as the One True Elohim [God]. I break the cycle with the rising sun and cancel all the false prophecies that has been spoken into the sun for many generations, in the Name of Messiah Y'shua! I take the Blood of the Lamb into the orbits and cycles of the rising sun and cleanse all the lies of the enemy speaking over my family for generations! Please blot out the lies and silence the voice of the enemy speaking over my bloodline, in Y'shua's Name!

I declare from the rising of the sun to its going down, I will praise You ALONE!

I repent on behalf of our forefathers, where they directed their thanks to this god for their daily provision.

I declare today that You are me and my family's Provider, and Your Word says that You have not seen the righteous forsaken nor their seed begging for bread. I declare our dependency is on You ALONE!

I declare that as for me, my house and my descendants, we will serve the Only True and Living El. I repent of every animistic belief and identification with powers of nature to bring forth rain.

In the Name of Messiah Y'shua [Jesus Christ], I renounce and rebuke the power and influence of the following gods upon me and my descendants lives, properties, marriages, fertility, finances, relationships, ministries, and so forth:

- **Tsui//Goab** (wounded knee) –derived this name because he was in battle with !Gounja, and won, but wounded in the battle. The “creator” god who awakes with every dawn/giver of all good things, rain, health, abundance and the one who gives success during the hunt.
- **Heitsi Eibib** – the first ancestor/ resurrected prophet. Belief that he was born of a virgin. Apparently this virgin chewed a type of grass and when swallowing the juice became pregnant with Heitsi Eibib. Father I stand in repentance where this god was given the status and position of Y'shua Messiah. I declare that Y'shua HaMasiach is the only way back to the Father.
- **Gaunab** – the god of darkness. Believed things such as drought, illness, and death came from this evil spirit. Viewed as evil, a black chief also called Damon who did much harm to the Foundation Nation people. Even though they would make peace offerings to this god by killing a sheep or ox to appease him, to avoid bad things from happening to them.
- **Hishna** – the “first, big” spirit.
- **Gauwa** – the destroyer and chief of the spirits of the dead.
- **G//awama** – he can change himself into a crocodile.
- **Nlodima** – giver of life.

- **Kaggen** – manifests in the form of a praying mantis.
- **Heise** – half-man, half-god with a Cape Oryx for a wife.
- **Sun** – the sun was worshiped, and sun-medicine was made.

FATHER, I repent on behalf of my forefathers for the belief that TsuiGoab, Heitsi Ebib as well as the moon came from the east, and thus built the door of the huts and graves in that direction. I repent and renounce of the superstitious beliefs and the desire to have favour with these gods. Teach us Father to know that favour, grace and mercy comes from You alone.

In Y'shua's [Jesus] Name, I now rebuke and renounce and render powerless all powers of **Tsuigoab**, such as:

Rainmaker, creator of people (out of stone), headman, contender and sorcerer.

FATHER, I renounce the practice by our forefathers for connecting with the new moon and full moon in dancing, singing and rejoicing through the nights, because they believed the moon gave them light. I renounce the belief that the moon gave them a physical manifestation of their god called Gounja or great chief. I repent of the peace offerings to Gounja to appease him and fear to upset this god. Teach me and my descendants to reverentially fear and worship You only.

I renounce the gathering of our forefathers where they would assemble in great numbers during certain stages of the month (phases of the moon) to celebrate, and the rituals they did at these gatherings. In some way this is still happening in our communities, especially amongst gangs, when they gather during certain assigned agreed upon times (mostly at night and after midnight) to plan evil, do rituals to give life to these evil planned deeds, to determine who will live and die in days to come. I stand in repentance for these deeds and pray that You will forgive our forefathers and every gang and gang member who up to this day gives this ritual and belief, life.

Father I ask that if we gather, we will come together to worship You, the Only True and Living El (God).

Father I repent and renounce on behalf of my forefathers where there were any connotation and connection between the animals and what they represented in rituals and customs. I repent and ask for forgiveness where our forefathers worshipped the following animals:

- **Water Spirits**
 - **Miaputi** – water monster on the banks of the Orange River.
- **Mountain Spirits**
- **Animal Spirits:**
 - Elk – (goat)
 - Serpent
 - Hippopotamus
 - Elephant
 - Birds
 - Wild Boar (totem of the rain-queen of Lovedu)
 - Lion

Trance and Trance-dancing

I renounce and repent of the evil state our forefathers would get into during these times of gatherings, as they went into **trance states**, and manifested in various distortions of the body. The strange words they said when they were under this spell, and its impact to this day. I cut myself and my descendants loose from the impact and power these words had over our lives.

I declare that we will only speak Your Word and will not be drawn into levels in the dark kingdom, where we utter words that give the enemy power and strengthen these occultic altars. I declare that we will worship You in Spirit and Truth.

I repent and renounce the practice of our forefathers of raising our hands upwards to foreign gods. I declare that we (me and my descendants) will only worship You. Forgive our forefathers and us for using our faculties to worship the enemy and the dark kingdom. Teach us and help us to understand that our bodies are the temple of the Rua'ch Hakodesh (Holy Spirit).

Forgive our forefathers for dancing in circles and clapping their hands all night long, (trance rhythm) and coming into agreement with the demons of the night.

Forgive our forefathers for believing in the "Healing dance", as they connected with the power of the god, believing that evil would be driven out and healing would take place, during full moon around a fire burning throughout the night. Even to the point where there would be nose bleeding with the intensity of the dance allowing entry level into the spirit realm, through chanting, dancing and the beating of the drums.

Magic

I repent and renounce the practice of magicians (aka !gai augo) selling little pieces of wood to our forefathers to protect them against evil, diseases and harm. I declare that we (me and my descendants) will worship the True and Living El YHVH (God), and that all forms of witchcraft and magic is broken off us now in Y'shua's [Jesus] Name

I renounce and repent of wearing and having faith in lucky charms to shun off evil. I renounce and repent of all the superstitious beliefs my forefathers practiced and still happening today¹¹, to keep evil away.

FATHER forgive our forefathers beliefs that the cold water was a fatal part of the magician's power.

I repent and renounce my forefathers involvement in divination as Your Word says that this is an abomination to You.

I declare that these powers will have no effect upon me and my descendants in the Name of Y'shua [Jesus Christ].

¹¹ for example, throwing salt over the left shoulder when entering a house late at night/or not to whistle in the house/or when a knife falls on the floor (depending on the size of the knife), then someone with a specific build/stature will visit/ to place salt at the entrance of the door to stop evil spirits entering the home

Rainmaking

I repent of all rituals practiced with animals, fire, water, fat, blood and milk in an attempt to call rain. I repent of any and all rituals practiced between September and January, when the high mountains were visited to practice ceremonies for rainmaking and to make rock paintings.

I renounce and repent of every dance (trance-dance) that was practiced for rainmaking. FATHER, I renounce and repent of the human sacrificing in times of drought. In the Name of Y'shua [Jesus Christ], I ask that You will forgive these abominable sins and that You, in Your Great Mercy, will silence the blood of those people with the Blood of Messiah Y'shua [Jesus Christ], so that it will no longer call for vengeance in our bloodline.

I renounce and repent where our forefathers exalted the name of the god Tsunigoab, and I declare that You are the Name above all names and all glory (esteem) and honour belongs to You!

FATHER, in the Name of Y'shua [Jesus Christ], I ask that You will trace and destroy with Your Holy [kadosh] Fire, every un-Godly [unrighteous] altar where other gods received worship, or where un-Godly [unrighteous] sacrifices were made, blood flowed, or where "graves" were strategically put to form power-points in the spirit.

I ask that You will forgive us for every un-Godly [unrighteous] and unholy [unrighteous] prayer directed to Tsunigoab and Heitsi Ebib, or any other false god, and that You will render it powerless.

In the Name of Y'shua [Jesus Christ], I now renounce and rebuke all powers and influences of Gaunab upon me and my descendants.

I renounce and repent of every form of worship this god received from me and my family, by means of nature phenomena, strange behavior of animals, stars, and so forth.

I declare that only through the Blood of Messiah Y'shua [Jesus Christ] and His Name, we are able of conquering the powers of darkness and I now call upon Your Grace and Mercy to deliver me and my descendants from any destructive effects of all the above-mentioned sins and belief.

I ask that You will sever me and my descendants from the connection with the spirit of the Elk which occurred during:

- Puberty of girls,
- First hunting-experience of boys,
- Marriage,
- Trance-dance (*see also repentance under shamanism prayers below*),

I ask that You will forgive us for each and every instance where I and/or my ancestors "left our bodies", and I ask in the Name of Y'shua [Jesus Christ], that You will restore me and my descendants from the destruction that was caused, spirit, soul and body.

I ask You to cleanse my spiritual umbilical cord from any demonic attachments that causes me to want to go into a trance or that wants me to astral project (“fly” – even in my dreams). I ask You Father to cut off this psychic ability, to close the “third eye” and to uproot the spirit of kundalini from my backbone, in the Name of Y’shua!

I ask that You will also wipe out all un-Godly [unrighteous] footprints that was left in the spirit realm with Your Broom of Destruction in the Name of Y’shua. Sweep with Your Broom through my spirit, soul and body and remove any demons still trying to hide in any area of my being!

Slavery and Theft related activities

Forgive our ancestors and ourselves of stealing from their/our employers, even though they/we felt underpaid and abused. I choose to forgive the employers for undermining and abusing our ancestors and ourselves, and making them work hard and long hours, and then paying them with alcohol (“dop stelsel”)¹², or very little money. Thank You that You are recompense in Y’shua’s (Jesus) name.

Slavery and Alcohol Abuse

Forgive our ancestors, especially the men, who had no sense of responsibility¹³. Please forgive the fathers for not being fathers for their children or husbands for their wives. Forgive them for not taking up the role of head of the home and leading their families in obedience of Your Word.

Father, please forgive the mothers who also gave themselves over to alcohol to anesthetize the pain of rejection and abuse. Forgive the mothers who then neglected their children and raised another generation of abused, angry and broken people.

Father, I ask that You break the demonic cycles that have ruled our families for many generations; sweep with Your Broom of Destruction and silence the demonic prophecies that have been speaking over our families from the sun, the moon, the stars, the planets and constellations, in the Name of Y’shua [Jesus]!

Land rights¹⁴

¹² Dopstelsel - Wine-as-pay turned workers into alcoholics and their children suffered from alcohol-fetus-syndrome.

¹³ On receiving their weekly wages, would first make a turn by the local shebeen or pub, and return in a drunken stupor with a family awaiting in anxious anticipation of drama and violence, that would play out when the father arrived home.

¹⁴ Ownership of water and grazing-regions are being jealously guarded. The goodwill of the spirits plays an important role here. A person declares a commitment to them and gets ownership of old tribal regions through the contacting of its waters. This involves a ceremony at the waters. A similar ceremony is administered when visiting another tribe. The person identifies himself with the place and its spirits, and obtains protection and support instead of hostility. All land claimed by a tribe was the general property of that tribe. House animals were taken through rituals like chasing them through the smoke of a fire. Fires had to be kept burning during hunting-seasons to ensure protection and success. Various superstitions are kept during hunting-seasons. An important ceremony in the old days was the initiation of a hunter in a community –

FATHER I repent and renounce all the occultic altars of our forefathers raised on the land. FATHER when You created Adam and Eve You gave them dominion over the land and the natural resources. Forgive my forefathers, myself and my descendants for abusing the natural resources and abusing the ownership of the land. I ask that You will teach us that we are stewards of the land, and ask that by Your Ruach (Spirit) that You teach us how to do this in Y'shua's Name. I repent of the following beliefs and sins and also forgive those who caused my forefathers pain in any way regarding land and land acquisition, namely:

- Obsession to own land
 - Obtaining land by means of illegal ways
 - Selling off any inheritances
 - Robbing our descendants of an inheritance

FATHER, I understand that we are only stewards and choose to be a faithful steward with all that You bless me and my descendants with, in the Name of Y'shua [Jesus Christ].

RENOUNCING ROOTS OF SLAVERY

FATHER, I thank You that I can come before Your Throne of Grace and Mercy because of the completed work of Y'shua [Jesus Christ], Your Son, at Calvary and that He has redeemed me with His Blood, not with silver or gold.

I bring before You my ancestral heritage and I ask You, FATHER, to cut me free from every **sin**, **curse**, and **iniquity** that I inherited.

I accept full responsibility for those sins and iniquities, and I want to confess them before Your Throne of Mercy to receive forgiveness in the the Name of Y'shua [Jesus Christ].

I know that there is no forgiveness without confession, and therefore I want to confess the following sins all **anger**, **hatred**, **bitterness**, **rejection**, **self-rejection**, **retaliation**, **murder**, **violence**, **curses spoken and vows sworn to take revenge**, in the Name of Y'shua [Jesus Christ of Nazareth].

I confess all the sinful reactions towards those that **sold** us, those that **bought** us, those that **mistreated** and **abused** us and I choose to forgive them in Y'shua's (Jesus)name.

I choose to let these sinful emotions and reactions go in the Name of Y'shua [Jesus Christ]. I choose to **forgive** those that were involved in making me a slave, in the Name of Y'shua [Jesus Christ].

As I receive mercy from You, our FATHER and KING, I extend mercy to those that placed chains on my hands and feet, and degraded my forefathers, myself and my descendants in the Name of Y'shua [Jesus Christ] and by the Power of the Ru'ach Hakodesh [Holy Spirit], **I forgive them!**

his body was painted with the blood of the animal, and the skin and intestines were twined around his arms.

I forgive those slave owners who tore us away from our families and the safety of a mother and a father and put us into chains causing deep wounds of rejection and abandonment. These wounds have opened us up for spirits of rejection and abandonment which has become curses attached to our DNA for generations. To this day our people are suffering with inferiority and lack of self-esteem. To fill this void in our hearts we have turned to sex, alcohol, gambling and drugs to try and anesthetize the pain. Father, please forgive us for not turning to You as our ONLY Source of providing all our needs – physically, emotionally, psychologically and spiritually.

I nail everything **detail** that was done to me and my forefathers to the Cross (tree) of Messiah Y'shua [Jesus Christ], and ask that You please cover it with the Blood of Y'shua [Jesus].

Father, I ask forgiveness for the death songs our foremothers improvised¹⁵ and sang while in slavery because of the act of killing their babies to not allow the state to lay claim to their babies. I ask that even where songs like 'simbaba mammie se kindjie' are still today included in Afrikaans folklore circles, including schools, that these sounds be silenced in Y'shua's name.

I ask that You also silence the sounds and the echos over our coastlands and that the blood of Y'shua (Jesus) quietens the sound of innocent blood. I ask that you put a new song of life and joy in the hearts of our people. Let them sing the songs of the redeemed.

I choose to walk away from the past in the Almighty Name of Y'shua [Jesus]. I renounce all **demonic inheritance** in the Name of Y'shua [Jesus Christ] and cut myself and my descendants free from the **territorial spirits** that think they still have a hold on us, operating from the countries of origin (eg, Germany, Holland, etc). In the Name of Y'shua [Jesus Christ], I renounce all familiar spirits and I command you to let me and my descendants go now!

FATHER, I ask You to remove and destroy all **demonic roots**. I renounce all **occultic and counterfeit callings, ranking, gifting, talents and abilities** in the Almighty Name of Y'shua [Jesus].

FATHER, I also bring before You the fruits that have resulted in my life and my descendants because of the root of slavery, and ask You to set us free and to break the power of these **patterns and cycles** over us.

- The fear of hunger
- The fear of losing possessions
- Jealousy¹⁶ (see petition on jealousy)
- All eating disorders.
- Obsessions with food
- Alcoholism and drugs

¹⁵ **Improvisation** is the practice of acting, singing, talking and reacting, of making and creating, in the moment and in response to the stimulus of one's immediate environment and inner feelings.

¹⁶ If families were "well-off" (considered to be rich according to set standards), and families and neighbours became aware of this, these families were then expected to give, borrow to others (family and friends). If a family member was not prepared to borrow (or help out as commonly known),

- All forms of addiction
- Inability to handle money
- Stealing, gambling (card games, horse racing), wasting and squandering money that affected their generations for years.
- All forms of poverty
 - In faith
 - Self-worth
 - Relationships
 - Family life
 - Possessions
- Sexual promiscuity
 - Masturbation (all forms of self-comfort)
 - Illegitimacy
 - Rape
 - Incest
 - Peeping-Toms
 - Fornication
 - Prostitution

FATHER, please forgive me and my descendants for indulging in these sins. I nail each one of these things to the cross (tree) of Y'shua [Jesus], and cover them with the Blood of Y'shua [Jesus].

FATHER, I receive my forgiveness now in the Name of Y'shua [Jesus Christ]. I **bind and rebuke** all demonic oppression of my generations, in the Name of Y'shua [Jesus Christ] and I command you to go now in the Name of Y'shua [Jesus Christ]! I resist you, satan, and the Word of YHVH [God] says you must flee.

James 4:7 *"7 So be subject to God. Resist the devil [stand firm against him], and he will flee from you."*

I thank You, FATHER, that I am Your child and that You have adopted me as Your very own.

Thank You Father that the spirit of slavery is removed from me now in Y'shua's (Jesus) name, and I now receive the spirit of adoption ... the spirit producing sonship in the bliss of which I cry, Abba FATHER!

Romans 8:15 *"15 For [the Spirit which] you have now received [is] not a spirit of slavery to put you once more in bondage to fear, but you have received the Spirit of adoption [the Spirit producing sonship] in [the bliss of] which we cry, Abba (Father)! Father!"*

I reject and renounce all the **chains and yokes** of slavery and declare I have been set free by the Power of the Ru'ach Hakodesh [Holy Spirit] and by the Blood of the Lamb!

FATHER I forgive the slave masters who treated our forefathers in a derogatory manner and as second grade citizens. Thank You Father that we are wonderfully and fearfully made. Gen 1 : 26 & Psalm 139.¹⁷

¹⁷ Slaves (our forefathers) chose the 2nd January, and the impact this day has had on the history of Cape Town.

Minstrels and its slavery connotation and connection

Father I repent for all the associated activities related with the minstrels¹⁸, Father I stand in repentance for those who financed and still finance this annual event. I declare that this annual event will be removed and erased from the books, and that You please smash the demonic time-clock with the 2 January and break all demonic patterns and cycles that have been established for many generations! I ask that the allocated finances will be used to eradicate poverty in our townships and every area dominated by slavery and poverty.

FATHER, I repent on behalf of those who named the slaves as Mosbiekers¹⁹, because of the dark tanned skin. Forgive us FATHER for our ignorance and prejudice that we even have amongst ourselves.

Forgive our forefathers for embracing slavery as a form of identity, and also the pagan worship that is associated with it, e.g groups of carnival performers such as the Minstrels, Nagtrote and Christmas Choirs and Bands. FATHER, I renounce and repent of this slave mentality. Because of this belief, strongholds have been established and altars raised to foreign gods, keeping our generations bound and enslaved²⁰.

FATHER, I forgive those who did not allow our forefathers the freedom of the city, and when they took to the streets, engaged in troupes, resulting in present day 'toi toi' that is prevalent in our nation today. I repent and renounce for every other altar that has been erected on these ancient occultic altars raised by our forefathers. I ask You to demolish and destroy every evidence of it in the spirit realm and that we will see a harvest of righteousness come forth in the lineage of the Foundation Nation.

FATHER I thank You that You have a redemptive purpose for the City of Cape Town, and as the descendants of the Foundation Nation of South Africa. I forgive, repent and renounce all the occultic activities that our forefathers engaged in. I ask that all that was lost be restored in our generations, so that our future generations will embrace the priesthood responsibility ordained by You, for the land to be redeemed.

Thank You our FATHER and KING for removing the marks of slavery from me and my descendants bodies, souls, and spirits ... and removing our name from the enemy's books of slavery. Thank You for silencing the **bells of slavery** that have been calling for generations in the spirit.

¹⁸ 'klopse kamers' have been marked in areas, by rope spung across electrical poles, with the specific minstrel colours that they will parade in each year.

'Kaapse klopse' or 'Coon carnival' (its more common name - although this isn't a particularly politically correct term in the 'new [South Africa](#)').

The origin of the carnival stretches back to the 19th century and has its origins in the time of slavery in Cape Town, when the original citizens of District Six were allowed their one day off on January 1st. The event, which has developed a distinct Cape flavour, is also supposed to have ties to the minstrel entertainers who stopped off in Cape Town on huge American ocean liners, over 100 years ago.

¹⁹ Mosbiekers

²⁰ Ministrels (Coons & coon carnival)

Father, I ask You to smash the demonic time-clocks, patterns and cycles that have blocked my God-given destiny for generations. I take the Sword of the Spirit and separate from me that which is humanity and that which is demonic. In the Name of Y'shua, I now command every demon of trauma, shame and pain to leave me immediately! Father, please lift off the trauma, shame and pain from my spirit, soul and body!

Thank You FATHER that my value is not determined by what I do and what people think of me. My value is determined by who I am – a **Blood washed** child of Yahweh [GOD] – bought by the Blood of the Lamb.!

I love You FATHER and thank You for setting me free! I am a child of the Most High El [God]. Thank You Father!

I ask that You will now put the axe to every un-Godly [unrighteous] root of our family-tree, which does not bear good fruit, and uproot it in the Name of Y'shua [Jesus Christ]! Thank You FATHER that from this moment forth, mercy, grace, and favour follow us all the days of our and descendants lives.

I ask for Your complete forgiveness for all these un-Godly [unrighteous] practices – and I ask that You will break every curse upon me and my descendants, and turn it into a blessing.

I renounce and repent of our prayerlessness, and ask that You will raise up in our communities intercessors that will stand in the gap , lifting our voices to the True El (God), and intercede for our nation and the restoration of the Foundation Nation as we take our place as watchmen on the walls of this nation.

In the Name of Y'shua [Jesus Christ], I lift up *Yahweh Nissi* (My Banner, Jesus Christ) over my family-line, and I declare that You reign over us and that my family is connected to the Kingdom of Yahweh [God] and severed from the kingdom of darkness!

In the spirit, I now erect an altar for You for my family-line and my descendants. I turn my back upon all of our forefathers sinful practices and their superstitious beliefs that have enslaved our generations.

FATHER, I thank You that Your redemptive purpose over me and my descendants will no longer be delayed. I thank You that You are positioning us to receive a baton of grace, mercy, and favour. Thank You that we will become like a Joseph that provided what was needed, and through this Your Favour and Your glory (esteem) will become known amongst even those who do not serve You as yet.

In the Name of Y'shua [Jesus Christ], I now receive Your forgiveness with gratefulness, and believe that Your Plan, Purpose, Calling and Destiny for me, my descendants, and all those of the Foundation Nation lineage (who will embrace their redemptive purpose) will become the ones who will allow Your Kingdom to come, and Your Will to be done on the earth.

In the Name of Y'shua [Jesus Christ],

AMEIN

Prayer of renunciations of and for everything that influenced the Foundation Nation (First People) of South Africa negatively between 1488 and 2012

Heavenly Father we come to You in the Name of Y'shua Messiah (Jesus Christ of Nazareth) and bring to You every sin and hurt of any kind and everything that displeased You concerning our forefathers during the above mentioned time periods.

We ask You to come with Your Precious Blood Y'shua (Jesus), Your Almighty Hand and cleanse us from hurtful feelings, resentment, rejection, anger, pain, an orphan heart, bitterness, inferiority and every other negative characteristic.

We want to repent of our anger and always feeling and acting as outcasts in our own land. For not being in the place You wanted us to be. We believe and accept Your Word Father that Y'shua (Jesus) died and rose again so that we may be redeemed, cleansed and in relationship with You Father. There is life and death in the power of the tongue. We reverse the curse of the past (1488-2012) into blessings.

- Our Herders moving into South Africa from the North. Our men and boys killed and for the fear that the outside world had for us as a Nation (Foundation Nation), because our forefathers were regarded as barbarians and savages. The assault and bartering we had to endure. Many of our people that were kidnapped, abused, plundered, being transported to many islands. The 'barter stock incidents', (the disunity between the 2 sides), being enclosed almond hedges and fortified posts, conflict handed in court. The Foundation nation people being traded for money, when men and women were given permission to buy their freedom at age 22 and 25. Those who gave up land at Franschoek, the Bartering of cattle and uprisings; small pox epidemic when an estimated of 90% died. Those kidnapped, policy changes and the resistance by forefathers. The exploiting of Saartjie Baartmen in 1810.

We ask for a heart of unity between us and their descendants to embrace them as we walk together in sharing the good news of Your Kingdom principles,

Foundation Nation Prayer of Renunciation: Shamanism

Remember to seal the premises before praying.

FATHER, I acknowledge Your written Word in:

Deuteronomy 18:9-13 “9 When you come into the land which the Lord your God gives you, you shall not learn to follow the abominable practices of these nations. 10 There shall not be found among you anyone who makes his son or daughter **pass through the fire**, or who uses **divination**, or is a **soothsayer**, or an **augur**, or a **sorcerer**, 11 Or a **charmer**, or a **medium**, or a **wizard**, or a **necromancer**. 12 For all who do these things are an abomination to the Lord, and it is because of these **abominable practices** that the Lord your God is driving them out before you. 13 You shall be blameless [and absolutely true] to the Lord your God.”

... I acknowledge this as the Truth, and repent for having practiced **divination** and **sorcery**, for having interpreted omens, for having engaged in this type of witchcraft, and for having consulted the dead – all things which the Word says are detestable to You, FATHER.

I know that all these things will lead to my destruction, and to spiritual separation from You.

I ask you FATHER to forgive me for having practiced these abominable practices.

I repent FATHER for having gone against Your Word in Exodus 20, by having made an idol of my ancestor's beliefs, directly and indirectly, intentionally and unintentionally, because of ignorance.

I come before You and RENOUNCE the sinful, occultic practices of my ancestors.

I REPENT on behalf of my ancestors for taking part in any of the occultic rituals that they embraced and passed onto their lineage.

I ask You FATHER, to forgive, cleanse, deliver and restore me, in the Name of Messiah Y'shua [Jesus Christ].

I repent FATHER, on behalf of myself and my ancestors for participating in trances, going into the spirit world and meeting other demonic entities to gain demonic knowledge. I ask that You forgive me and my ancestors for believing in these practices and not believing in Your Word; rejecting the TRUTH that has the power to deliver, heal and set us free.

I renounce the belief of the Foundation Nation, who worshipped everything in creation and not The Creator Himself (Romans 1). I acknowledge this as idolatry, which is connected to the fertility cults and witchcraft. Forgive us for indulging in these iniquitous practices.

I repent of my belief that events and activities in the spiritual realm cause the events of the physical world, including death, sickness, weather and food/water supplies, and for believing that I could alter these states through trance-rituals.

I renounce the role of my ancestors where they stood as an **intermediary** between mankind and the spirit world and interceded with the nature spirits. I renounce and give back to satan all ranking and position which was passed onto me and my descendants when my ancestors participated in this role.

I ask You FATHER, to please deliver myself as my descendants from every **occultic calling** passed on to us by our forefathers when they worshipped other gods. We want to embrace Your Call on our lives, and know that through repentance and deliverance, the Blood of Messiah Y'shua [Jesus] washes, cleanses and restores us back to You.

Worship of Nature for Healing

I renounce my belief in **Animism** (that all rocks, plants and animals have spirits, souls and personalities). I repent on behalf of myself and my ancestors for worshipping these things, and not worshipping You as The One and Only El [God] and Creator of the Universe.

I renounce the belief in **magical formulas** with **medicinal herbs** that were used to keep away evil; this took the place of trusting in Your Word.

I renounce all ceremonies such as pipe smoking, dancing with the animal, ceremonies for the dead soul and the vision quest.

I renounce the **medicine wheel** and its connection to the **four elements** (water, fire, air and earth) as well as its connection to the spirits of the **four directions** (north, south, east and west) as well as **up and down**.

I renounce the use of **nature**, such as herbs, plants, flowers and trees; gemstones, crystals and minerals; and animal feathers in shamanistic practice.

Trance Dance and Drugs

I renounce trance dancing and journeying in the spirit realm as well as every other occultic practice that my ancestors engaged in.

I repent for having entered into the spirit world through a vision or trance, whether induced by spiritual teachers, esoteric practices, drumming, singing, chanting, rattling, dancing or breathing techniques.

I renounce the drum and the steady, rhythmic beat of the drum used to enter into a trance. I repent and renounce and cut myself and my descendants from this demonic connection and activity

I renounce the **dance cycles** set to phases of the moon and months of the year.

I renounce all hallucinogens, sacred plants or psychedelic drugs (especially magic mushrooms) used to induce a trance or vision.

I renounce all magical substances inserted into the body by spirits to enhance powers.

I renounce ALL and EVERY form of trancing – astral projection and shape shifting included.

I repent for being excited, moved, and raised into an ecstatic state (moved out of one's self).

I repent for having interacted directly with the spirit world, in any form or manner (spiritual or physical). Forgive me Father, for opening up for the Kundalini spirit and allowing this serpent spirit access to my backbone, in the Name of Y'shua. Forgive me for seeking the false holy spirit energy and giving myself over completely to this spirit to possess me.

I renounce all help, aid, assistance, guidance or power derived from supernatural sources (in any form whatsoever) during this journeying.

I renounce every form of journeying in a trance state as well as all spirit worlds traveled to or through. I ask You, Father, to remove all traces of me as well as my footprints from all the levels and places in the spirit where I travelled – sweep with Your Broom of Destruction and silence all witnesses testifying against me in the spirit, in the Name of Y'shua (Jesus).

I renounce sacred sites such as leylines, sacred springs, rivers, caves, mountains, trees and crossroads as gateways to the spirit realm.

I renounce all holes, openings, doorways, roads, tunnels, caves, animal holes, hollow tree stumps or whirlpools used to descend into the lower world.

I renounce all mountaintops, treetops, cliffs, flights on eagle's, fire, smoke, ropes, ladders arrows shot into the sky and rainbows used to ascend into the upper world.

I renounce these central places as sacred places to gods, spirits and shamans.

I renounce my belief in parallel universes and alternate realities.

I renounce the role of spirits performing tasks, recovering lost souls, and clearing obstacles on the path to the spirit world.

I renounce all totem guardian spirits (those over both tribes and individuals).

I renounce the role of the guardian spirit and all empowerment with magical powers, who served as our family's "animal power" or alter ego.

I renounce assuming the form and power of the guardian spirit within an altered state of consciousness. I renounce seeing, conversing with and using it. I renounce contacting this guardian spirit through the ceremony of "dancing the animal."

I renounce all spirit helpers (spirits who have minor powers and specialized functions such as curing certain diseases and illnesses). I renounce all helper spirits (usually deceased friends or relatives eager to help humans in humble ways).

I renounce all *tonals* (a spirit in animal form, which symbolizes the person's soul or birth date). I renounce all familiars. I renounce all power, protection and assistance gained from spirit or power animals (the spiritual energy or essence of the animal on earth, the actual animal spirit).

I renounce the ability to take on the “power” of an animal spiritually, taking on the special abilities and powers of that animal. I renounce the wearing of masks, skins and claws during ceremonies as well as imitating the movements, growls and calls of the animal. I renounce being painted with clay/paint to represent an animal.

I renounce using sacred plants, dancing and drumming to enter into an altered state of consciousness so as to travel to the spirit world in the form of the power animal. I renounce the ancient spirits or spirit guides (the embodiment of the ancient peoples of the earth).

And now FATHER, I ask that You send Your Angels to escort these spirits and demons to become the Footstool of Messiah Y’shua [Jesus Christ] of Nazareth.

Father, please cleanse my spiritual umbilical cord from all demonic attachments giving me the ability to astral project, go into a trance-like state, as well as travel to places in my dreams. Please close ALL gateways and portals that allow demonic access to me – spirit, soul and body. Please close the gates of “ivory and horn” where demons enter while I am sleeping to give me nightmares, demonic messages and control my life through fear.

I declare that all cords, bonds, and spirit and soul ties between myself, and all these above practices, are NOW cut and sealed by the Blood of Messiah Y’shua [Jesus Christ] of Nazareth.

I ask You Father, to please uproot the serpent spirit of kundalini from my backbone – in the Name of Y’shua, we command you to come up from the base of the spine through every chakrah – come up from every level – all seven levels - let me go! Now leave my spirit, soul and body – never to return to this temple! I declare I am a temple of the Holy Spirit ONLY! Father, please sweep with Your Broom of Destruction through my spirit, soul and body and clear out all residue from this false holy spirit, in the Name of Y’shua.

Now please close every chakrah level – from level one to level 7. Seal these openings with the Blood of the Lamb never to be opened again!

I ask You to fill me with Your TRUE HOLY SPIRIT – place Your Seal upon me - Your Rauch Hakodesh!

I thank You, FATHER, that I, by Your Grace, am set free from all bondages and judgments.

I thank You FATHER that those whom You set free are free indeed, and that the bondage of Shamanism in my life is broken!

I declare this prayer now sealed with the Blood, Power, and Authority of the KING, Messiah Y’shua [Jesus Christ].

AMEIN!

A SHORT ARTICLE ON TATTOOS AND PRAYERS ON HOW TO DEAL WITH TATTOOS ON THE BODY

Tattoos are the most ancient form of art. They use all the principles of drawing and painting but the canvas is human skin. It is a form of body modification.

The word Tattoo comes from the Samoan word Tatau and first appears in the journal of Joesph Banks the naturalist onboard Captain Cooks Endeavour in 1769.

The words 'inks,' tats' 'art' 'pieces' ' work' all refer to it being considered an art form. Therefore, the Tattooisists are being actually called artists.

The Japanese words *Irezum* literally means 'the insertion of ink.'

In tribal settings the tattoos, often indicated to others the visible symbols of the tribe, their' identificational markings and beliefs.'

The oldest surviving tattoo is on the preserved mummy of Otzi, the iceman, found in the Alps. These suggest that the ancient tattoos may have been a form of acupuncture and may have been connected to healing. So if this is the case it is directly connected to the stimulation of kundalini energy through the meridian channels as in Chinese acupuncture.

Tattoos are now being viewed as the earliest forms of addiction, it forms initiation through pain and the endurance of the pain opens the doorway to an altered, trance state of consciousness and as such a symbol of mind control.

Demons are attached to the tattoo through whatever image is created on the skin. It is the pain that is addictive as endorphins are released from the brain and endorphins form the basis for addictions.

The latest research now actually states that getting a tattoo is becoming an addict, it is a feeling of power, it is progressive, compulsive, and those who get a tattoo will eventually get another. Body piercings, body cuttings, and brandings fall into the same category.

From what we have studied, the process of being tattooed is a voluntary offering of the human body to satan for demonic possession through the pain of initiation.

The images that the individual chooses, if they are not compulsory as in a tribal situation, are those that are either in the bloodline and embedded already in the subconscious or images that have been opened up to through some involvement in the occult, usually it is both.

The bloodline sin pulls the individual to the marking, thus we believe it is the work of familiar spirits. The latter could be as seemingly innocent as fairy stories or movies but they are all designed to hook us into the occult.

Tattoos have witchcraft roots, they are fundamentally satanic markings and symbols that open doors for satanic attack which allows the enemy entrance into our lives.

They are like graffiti on a wall and the satanists use these to attach demons 'watchers' to mark out their territories. These are not random marks and each mark carries the sin and the demonic forces behind it.

The Bible states :

LEVITICUS 18. 28 “ *You shall not make any cuttings in your flesh for the dead nor print any tattoo any marks upon you; I am the Lord.*”

DEUTERONOMY 14.1 “*you are the sons of the Lord’ you shall not cut yourself or make any baldness on your foreheads for the the dead.*”

1 KINGS 18. 28 “ *and they cried aloud and cut themselves after their custom with knives and lances until the blood gushed out upon them.*”

All of these were witchcraft rites to mourn the dead and to worship Baal – Satan. All these rituals left scars of some sort. A tattoo forms a scar. The process is that of breaking the skin, the incision or puncture mark bleeds, the injury forms a scab and then it heals.

The only difference is that a tattoo leaves an ink imprint, so that the image covers the scar. ALL involve the satanic rite of passage through pain to an altered state of consciousness and that state allows demonic penetration and possession!

Many tattoo artists originally were those who received tattoos. You never see a tattoo artist without a tattoo, so they are simply 'the initiated' in plain language – those who have gone through the full initiation and are now practicing witchcraft under the control of demonic forces. It has become so fashionable that we cannot see the real sad truth behind it any more! We have become blinded by sin!!!!

The Tribal Spiral

The spiral is a lunar, aquatic fertility symbol. The spiral is the ancient symbol of not only the mother goddess but specifically of **Venus** (the symbol of Venus is the shell. Shells from antiquity have been associated with water but in particular marine spirits).

It was found engraved on Paleolithic statuettes of the goddess and is the symbolic equivalent, indicating all centers of life and fecundity. As the centre of life it marks movement.

The spiral is described as an 'open' motive, because nothing is easier than setting out from one end of the spiral and reaching the other, so it forms an 'entrance' or 'gateway,' - in and out.

It also rotates from a fixed point and in the spirit is seen as extending outwards continuously expanding and lengthening into infinity, symbolizing an unending line which constantly links the two ends to the future, but also forms a sort of **umbilical cord** from the person to the spirit world.

Thus it symbolizes expansion, evolution, rotational and seasonal creation, but also degrees of initiation into the tribe.

It also forms the fixed point within a circle - the ancient symbol of the mother goddess. It is in essence her labyrinth, her maze, her entrance! This is both the evolution from the centre (exit) and the involution the returning to it (entrance.)

It is linked to the cosmic symbolism of the moon, the vulva, and the watery symbolism of the shell and to waterspirits - this probably why the location of the tattoo on the kidneys - the water filter of the human body.

It also is symbolic of the horn and the helix, all of which are fertility symbols. In short it represents the cyclical nature of evolution and the repetitive fertility rhythms of life.

Thus it is a symbol of Kundalini coiled around the column of the spine – the tattoo is on the back.

Many tribes used the spiral, the spiral trance dances of the Pueblo Indians and the Mevlevi - the whirling dervish, Sufis of Turkey to enter into altered states.

In **Voodoo** it is the symbol of the god Dan of **Benin** and is depicted there as the ouroboros the serpent biting his own tail. This is a symbol of bisexuality.

To the **Celts** it was symbolic of the wheel. In **Germany** it was symbolic of the sun. The Picts of **Britain** were called the 'painted people' because of their tattoos.

The spiral is seen as the symbol of the soul's journey after death to its ultimate destination, the journey back to the mother – satan. Tattoos are symbols of rebellion and defiance and are such are anti-christ in nature.

Satan tries to bind us to his ways to the worship of the fertility cults of the mother, to the false father and not to only True and Living Father who is in Heaven, the God of Abraham, Isaac and Jacob, the God of the Bible. He will use tattoos as one of his tactics to do this.

God says that we are the temple of His Ru'ach Hakodesh (Holy Spirit)

1 CORINTHIANS 6.19,

“ do you not know that your body is the temple the very sanctuary of the Holy Spirit Who lives within you. Whom you have received as a gift from God? You are not your own.”

Jesus never had a tattoo - the only scars that He bore were those on His Hands, Feet and Head inflicted on His body by those who crucified Him. He bore them for our sins.

We need to repent for our ignorance, rebellion and defiance. The Bible states that rebellion is as witchcraft.

Exodus 20:1-6

1 *And God spoke all these words, saying,*

2 *I am the LORD your God who brought you out of the land of Egypt and out of the land of bondage.*

3 *You shall have no other gods before Me.*

4 *You will not make for yourself any graven image, or any likeness of anything in the heaven above, or in the earth beneath, or in waters under the sea.*

*5 You will not bow down yourself to them, nor serve them, for I the LORD your God am a jealous God, visiting the iniquity of the fathers on the children to the third and fourth generation of those who hate me,
6 and showing mercies to thousands of those who love me and keep my commandments.*

This passage speaks of making for yourself graven images or pictures. A tattoo is like an engraved picture in the skin made with ink to last forever. Verse 4 speaks of making any likeness **in the heaven above**, which could indicate tattoos of...

The Sun, the Moon, the Zodiac Symbols, the Stars, Fallen angels, the Grim Reaper, Demonic faces and also vultures, eagles, swallows, sparrows, owls, ravens or pigeons, fairies.

...or in the earth beneath,

Snakes, scorpions, dogs, wolves, jackals, lions, tigers, leopards, cats, mice, dinosaurs, apes, hyenas, naked women, faces of loved ones, spiders, skeletons, mosques, churches, flowers, open books depicting the laws of particular 'Number' gangs, dragons, the statue of Liberty, flags especially the US and British flags, money and dollar and pound symbols, weapons like knives, pangas, axes and guns, different hand signals showing particular gang membership, sexual organs,

...or in the waters,

Dolphins, sharks, crocodiles, octopuses, mermaids, Neptune

These tattoos are like demon tags. It is like satanic altars that open up occultic gates in your life. Tattoos represent the journey you are on and when you look at someone's tattoos then you can actually determine his ranking in the underworld.

... under the earth,

The realms of death and the underworld.

When you see tattoos of the Grim Reaper, Skull & Bones or the Hangman's Noose then it is possible that the person made a covenant with death and is willing to go all the way to the grave with his cause. When you see tattoos of a male organ it signifies the person's sexual orientation is homosexual. Tattoos of money and dollar and pound symbols shows that the person is a thief and a robber and a worshipper of money.

Tattoos with weapons and blood show men of blood who are involved in blood sacrifices. When you see a tattoo of a right hand it shows affiliation to the 26 and 27 (Sunup) gang and when you see a tattoo of the left hand then it shows affiliation to the 28 (Sundown) gang. A tattoo of a knife pointed upwards or a knife pointed downward respectively signifies 26 and 27 gang affiliation or 28 gang affiliation.

In the nineties the American Rapper Tupac Shakir sang a song titled "Thug Life" which became quite popular after his death. In Manenberg in the stronghold territory of the Hard Livings gang they had a large mural painted on one of the Court walls. The painting was of Tupac and the slogan "Thug Life" was also painted on the wall. Many gangsters adopted the slogan and has "Thug Life" tattooed on their chests.

I found out that the Concise Oxford Dictionary describes the word Thug as a “**Member of religious organization of assassins in India suppressed by 1825; cut-throat and ruffian.**” Can you see the spirit operating in men who bound themselves with that tattoo on their bodies?

Modern tattoos include the Chinese symbol of Yin and Yang and Chinese characters, which shows the influence of the spirit of the East in South Africa. I’ve also seen tattoos of the dragon becoming more popular even with gangsters. Tattoos have become so fashionable today that it happens that you see a man full of tattoos on his body and yet that man may not even have spent a day in prison or has any gang affiliation. Ladies put tattoos around their navel and at the base of their spine not realizing that they are spiritually binding their reproductive organs, bladder, kidneys, stomach and their spinal cord. I’ve seen men with tattoos of barbed wire around the upper arm. I heard of a man who had the whole picture of the new Cape Town International Stadium tattooed on his back last year during the 2010 Soccer World Cup Tournament. I wonder if it was for fun or was it for divination purposes?

Around the region of the South-Indian Islands and Australasia you’ll find places like Papua New Guinea, West Samoa, Tahiti and Fiji where tattoos are quite normal in their cultural makeup. To a large degree these tattoos identify from which tribes they originate.

An Article in the Joy Magazine on Tattoos:

Tattoos amongst the Amazon tribes identify the various members of a given tribe. In Papua New Guinea, all kinds of body scarification, tattoos and body mutilation distinguish the various tribes. Among the tribes in Borneo tattooing is mainly associated with headhunting (a visible sign of success) for men and the coming of age of women – in some cases it symbolizes their social status. Tattoos are part of “the rites of passage”.

A pagan view on the subject: “A tattoo is a complex signifier; it signals class; it signals sexuality; and it has specific content as a signifier; a depiction of an animal, a person, an abstract tribal design. The most usual motifs are signifiers of power and masculinity. But what the tattoo signals above all is the power one seizes over one’s own body... To be branded or tattooed shows also that you have the requisite guts to join the group... it serves as a sign of pain and hence of resolution.” (Crispen Sartwell) To put this in simple terms, it is a form of autonomy (self law) which is idolatry.

“Tattooing is often a magical rite in the more traditional cultures, and the tattooist is respected as a priest or shaman.” (Michael Dello, *Tattoo: The Exotic Art of Skin Decoration*). (***End of Joy Magazine Article.***)

PRAYER POINTS TO DEAL WITH TATTOOS

Leviticus 19:28 "Do not cut your bodies for the dead or put tattoo marks on yourself. I am the LORD."

I repent of any form of bodily mutilations, as well as tattoos, and I ask that You will render powerless the powers connected to this and cleanse me. Forgive me for my ignorance and lack of understanding Your Word. Every tattoo/picture indicates the strongholds that held me bound, but today I break their hold over me, and declare that my body belongs to the FATHER, and is the Temple [Tabernacle] of the Ru'ach Ha'Kodesh [Holy Spirit], and I commit my spirit, soul and body to You. I pray that this ignorance is broken now, and will not be repeated by my descendants.

Counsellor/witness anoint the tattoo(s) and incision(s) where possible, and break the power of the kingdom of darkness connected to it.

1. Father, in the Name of Y'shua [Jesus] I ask you to remove every tattoo on my body that presents me as an agent of Satan.
2. Father, in the Name of Y'shua [Jesus] I ask Your forgiveness for unwittingly putting tattoos on my body which actually showed collective family patterns. I may have had the same tattoos that another family member or ancestor may also have had, which symbolized the same family sins or underworld affiliation.
3. Father, in the Name of Y'shua [Jesus] please forgive us because when we put tattoos on our bodies we activated the Kundalini Serpent spirit and fire to come in and bind us.
4. Father, we know that many of South Africa's gangster tattoos represent Sun worship. We ask You to forgive us for becoming involved in this form of idolatry.
5. Father, in the Name of Y'shua [Jesus] please forgive us that we used our tattoos to declare our gang or tribal identities. From this moment on we proclaim our identity to be in Y'shua Messiah [Jesus Christ of Nazareth] our Saviour and Redeemer.
6. Father we acknowledge that Your Ru'ach Hakodesh [Holy Spirit] is the only Spirit that gives us power and the gifts of Your Spirit is a manifestation of Your power. Father we repent and ask for forgiveness because we rejected Your Ru'ach Hakodesh [Holy Spirit] power and we tattooed our bodies to symbolize occultic power and ranking.
7. Father we ask forgiveness for putting tattoos of animals on our bodies not knowing that we have connected to religions of animism and animal spirit worship.

8. Father, in the Name of Y'shua [Jesus] please forgive us for putting tattoos of the sun, sun rays, the moon, the stars or constellations of stars on our bodies depicting worship of those heavenly bodies. Father, we acknowledge that these things in the heavens were given to all nations to enjoy and You Yahweh [God] gave a definite warning that we should not look up to them and be enticed to worship them. Please forgive us for worshipping the creation and not the Creator.
9. Father, in the Name of Y'shua [Jesus] I ask that all portals may be closed by the Blood of Y'shua Messiah [Jesus Christ]. Because of certain satanic tattoos on our bodies we unknowingly opened up portals in the spirit for demons to enter into us... please forgive us Father in the Name of Y'shua [Jesus].
10. Father in the Name of Y'shua [Jesus] we ask for Your forgiveness because we allowed spiritual monitors to follow us and stalk us because our tattoos were like bright shining demonic tags in the spirit.
11. Father, please seal these demon tags with the Blood of Y'shua Messiah [Jesus Christ] and remove all demonic authority so that the enemy will have no more legal ground to communicate with us through the gateways of our tattoos.
12. Father, in the Name of Y'shua [Jesus] please take Your Flaming Sword and destroy every spirit and soul tie that still binds us with workers of iniquity because we have the same gang or tribal tattoos.
13. Father, in the Name of Y'shua [Jesus] please forgive us for putting tattoos of water creatures on our bodies, which connected us to marine altars and water spirits. These water spirits then opened up the doors for sexual sins in our lives.
14. Father, in the Name of Y'shua [Jesus] please forgive us for putting tattoos of flags on our bodies. The Star Spangled Banner of the US and the Union Jack of the UK which actually represents Free Masonry.
15. Father, in the Name of Y'shua [Jesus] please forgive us for putting tattoos of the flags of the 26, the 27, the 28, the Desperado or the Air Force on our bodies. By these flags we showed allegiance to these groups and our involvement in the darkness of the occult.
16. Father, in the Name of Y'shua [Jesus] please forgive us for even putting drawings and tattoos on other people's bodies. Father please remove the authority and influence that we have over them. From now on Father allow us only to exercise righteous [godly] influence and righteous [godly] authority over them.
17. Father, in the Name of Y'shua [Jesus] please forgive us as we now repent that we used our tattoos as a tool to instill fear in other people.

18. Father, in the Name of Y'shua [Jesus] we ask that You break the stronghold of tattoos forever over our lives and that when people see us that they will not see the tattoos that we display but that they will see the Fruits of Your Spirit that we display.

19. Father, in the Name of Y'shua [Jesus] we repent that we defiled our bodies with tattoos, our bodies which were supposed to be a dwelling place for Your Rauch Hakodesh [Holy Spirit]. Your Word says that if any man is in Messiah [Christ] he is a new creation and from today onwards we declare our bodies to be a dwelling place for Your Rauch Hakodesh [Holy Spirit].

20. Father, please restore us so that the tattoos on our bodies will have no more authority in the spirit to speak into our spirits or our souls.

21. Father, we ask You to break every demonic seal that was placed on every tattoo, in the Name of Y'shua.

Father please help us to gain spiritual victory over our tattoos. Thank You in Y'shua's [Jesus] Name.
